

# WATCH OUT, COWBOYS ARE ABOUT!

Neighbourhood Watch teams across the UK don't like these kind of people, so why are so many of our elderly relations or neighbours **STILL** getting 'conned' by these **CROOKS?**.....Please **HELP!**

Congratulations Madam, you have just won £250,000 on our foreign lottery; all you need to do is pay us £39 processing fee and we can send you the cheque immediately.  
Now, can you just give me your card details!

If you know of this sort of thing going on, contact your local **POLICE via 101** as well as **ACTION FRAUD** on **0300 123 2040**

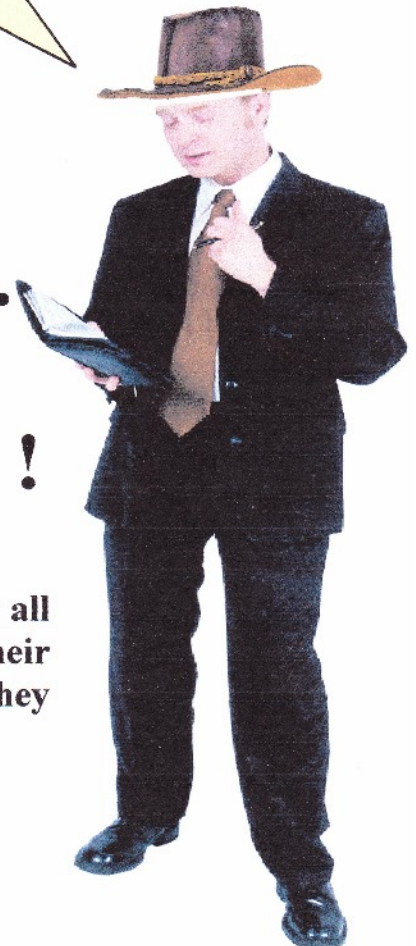

Yes my old chap, that'll be just **1250 quid** to replace that dodgy tile on yer roof. **Do I look like a criminal?** I can get my blokes to do the job straight away;.....OK, shall I drive yer to the Bank to get the cash right now?

**They're CON phone calls!**

Yes, of course you can trust me, I'm a distinguished elderly gentleman; surely you can hear me 'smiling' whilst I'm asking you these personal financial questions can't you?

**Don't trust them,...**  
**It's a SCAM!**

**They'll laugh all the way to their bank when they leave you!**

Would **YOU** trust them?
